JOURNEY OF CHOICES (PAPERBACK)

Trafford Publishing, Canada, 2009. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Journey of Choices is a compilation of poems covering the teen years to young adult life. These poems were inspired by the challenges faced in school, dealing with depression, finding young love, and discovering who we are in these challenging times. There is a mixture of poems in this book. Some are informative poems about Indira Gandhi and the Great Depression, while others are about life, mothers, love and finding oneself. They express situations and feelings that we all have experienced in everyday life. Come along on a journey of understanding that makes many stops before reaching its destination. Heaven Bright light, Colourful flowers, Trees soaring high, I, in the middle trying to reach the sky. I want to be part of the world Where life is life and not death, Where I can reach my goal And not just see it. I lay in my bed With thoughts in my dreams I want to reach the top Be successful and be known I don t want to die without Knowing how the world looks. Without seeing the beauty made by Him. I want my life to be like HEAVEN.
