Decentralisation Participation Governance

By Prabhat Dutta

2006. Hardcover. Book Condition: New. 300 It is a book containing well-researched articles on local good governance and grassroots development in India in general and West Bengal in particular. All the papers seek to critically analyse the available secondary material in order to identify the issues of concern and suggest remedial measures. Primary data have however been generated and used of two articles which seek to explore dynamics of the working of the grassroots democratic institutions in rural with the emerging dynamics and critical issues concerning good governance and participatory development at the grassroots level. About The Author:- An eminent scholar in the field of local Government and politics in India in general and West Bengal, in particular, Prabhat Datta holds the Centenary Chair of Professor of Public Administration in the Department of Political Science, Calcutta University and is the Honorary Adjunct Professor, Institute Development Studies Kolkata. A widely-travelled Professor in India and abroad Professor Datta has to his credit 24 books including four monographs. He has published a few dozen articles in Indian and foreign journals. He was a member of the University Grants Commissions Panel on Political Science and Public Administration (1996-98). He worked on the executive committee...

Reviews

Good electronic book and valuable one. It generally is not going to charge an excessive amount of. Its been developed in an remarkably straightforward way and is particularly simply following i finished reading this ebook through which really transformed me, change the way i think.

-- **Mr. Domenic Eichmann**

Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).
