McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, You Can Retire Sooner Than You Think, Wes Moss, From Wes Moss - named by Barron's as one of America's top financial advisors. "The keys that Wes Moss identifies to having a happy retirement are simple but brilliant. Read this book." (Clark Howard, number 1 New York Times bestselling author of Living Large in Lean Times). "Financial planner Wes Moss offers you something different - not just a plan to retire, but a way to do it sooner and to be happy when you do." (Atlanta Journal Constitution). If you think you need to win the lottery or work until you're 75 to retire with financial stability, Money Matters host Wes Moss has very good news for you. You Can Retire Sooner Than You Think reveals the secrets for ensuring a successful retirement - sooner rather than later. After conducting an intensive study of happy retirees to learn the financial practices they hold in common, Moss discovered that it doesn't take financial genius, millions of dollars, or sophisticated investment skills to ensure a safe, solid retirement. All it takes is five best practices: determine what you want and need your retirement money for; figure out how much you need to save; create a plan to pay off your mortgage in as little as five years; develop an income stream from multiple sources; and become an income investor. Getting on the fast track to a great retirement is a lot simpler than the retirement professionals would have you believe. You Can Retire Sooner Than You Think provides the proven-effective, five-step formula for creating the retirement of your dreams.
