House Of Stratus, United Kingdom, 2013. Paperback. Book Condition: New. New edition. 203 x 133 mm. Language: English . Brand New Book. Following retirement, Marigold Darwin returns to her home village determined to purchase a house. She meets two young boys, Mark and Steve, who hang around The Willows, where old Tom Morton lives. His housekeeper Ivy sometimes babysits Mark, although this may be a mistake. Neither boy is in the least concerned about others, regarding casual deception and theft as just part of everyday life. The same is true of their two friends, who have a seriously disturbed mother. Marigold is gradually drawn into the lives of all and becomes aware of serious shortcomings in the parenting of the boys, and some very real fears in a situation where the misdeeds of one generation are easily passed to the next. Tensions mount and in an intricate plot danger looms, with Marigold s own life being placed on the line. The characters in this novel hold secrets and intents which Margaret Yorke reveals with her usual skill and capacity to thrill.
