

Paper Tigers: China's Nuclear Posture

By Jeffrey G. Lewis

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Paper Tigers: China's Nuclear Posture, Jeffrey G. Lewis, China's nuclear arsenal has long been an enigma. The arsenal has historically been small, based almost exclusively on land-based ballistic missiles, maintained at a low level of alert, and married to a no-first-use doctrine - all choices that would seem to invite attack in a crisis. Chinese leaders, when they have spoken about nuclear weapons, have articulated ideas that sound odd to the Western ear. Mao Zedong's oft-quoted remark that 'nuclear weapons are a paper tiger' seems to be bluster or madness. China's nuclear forces are now too important to remain a mystery. Yet Westerners continue to disagree about basic factual information concerning one of the world's most important nuclear-weapons states. This Adelphi book documents and explains the evolution of China's nuclear forces in terms of historical, bureaucratic and ideological factors. There is a strategic logic at work, but that logic is mediated through politics, bureaucracy and ideology. The simplest explanation is that Chinese leaders, taken as a whole, have tended to place relatively little emphasis on the sort of technical details that dominated US discussions regarding deterrence. Such profound differences in...
