Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Mare Nostrum: Our Sea a Novel His first gallantries were with an empress. He was ten years old, and the empress six hundred. His father, Don Esteban Ferragut - third quota of the College of Notaries - had always had a great admiration for the things of the past. He lived near the cathedral, and on Sundays and holy days, instead of following the faithful to witness the pompous ceremonials presided over by the cardinal-archbishop, used to betake himself with his wife and son to hear mass in San Juan del Hospital, - a little church sparsely attended the rest of the week. The notary, who had read Walter Scott in his youth, used to gaze on the old and turreted walls surrounding the church, and feel something of the bard s thrills about his own, his native land. The Middle Ages was the period in which he would have liked to have lived. And as he trod the flagging of the Hospitalarios, good Don Esteban, little, chubby, and near-sighted, used to feel within him the soul of a hero born too late. The other churches, huge and rich, appeared to him with their blaze of gleaming gold, their alabaster convolutions and their jasper columns, mere monuments of insipid vulgarity. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
