Wipf Stock Publishers, United States, 2009. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.In this thought-provoking book, born-again Christian Denis O. Lamoureux argues that the God of the Bible created the universe and life through evolution--an ordained, sustained, and design-reflecting natural process. In other words, evolution is not the result of blind chance and our creation is not a mistake. Lamoureux challenges the popular assumption that God disclosed scientific facts in the opening chapters of Scripture thousands of years before their discovery by modern science. He contends that in the same way the Lord meets us wherever we happen to be in our lives, the Holy Spirit came down to the level of the inspired biblical writers and used their ancient understanding of origins in order to reveal inerrant, life-changing Messages of Faith. Lamoureux also shares his personal story and struggle in coming to terms with evolution and Christianity. Having travelled a path from atheist to young earth creationist to evolutionary creationist, Denis Lamoureux has thought deeply about the intersection of the truths in the Book of Nature and the Book of the Bible. In this remarkable and courageous analysis, he describes how he has found compelling harmony between these worldviews. Though certain literal interpretations of Genesis are rendered untenable, open-minded believers will emerge with their faith refined in the fire of rigorous but loving intellectual argument. --Francis Collins, former Director of the Human Genome Project, author of *The Language of God: A Scientist Presents Evidence for Belief* Although there are many fine books that treat the compatibility of faith and science in general, Lamoureux is alone in treating with candor, sophistication, and pastoral sensitivity the interpretive issues that face any Christian reader of Scripture. Lamoureux understands that the...
