They lack the tools necessary to establish a strong foundation for themselves as they journey through life. There are lessons to be learned and not enough guidance and instruction to build character. I came to this revelation after becoming actively involved with the youth in a growing church in California. It became apparent to me the youth of today are not prepared to manage the serious issues they will encounter. In far too many cases, basic training has not been provided by parents and is needed to supplement their formal education. This book serves as an answer to what-to-do-when for those who not only seek to become young men and women of God, but to be positive contributors to society. You will find *What Young Minds Need to Know* is filled with wisdom and provides guidelines on personal development, proper etiquette training, health and sex education, budget preparation, and money management. Additional topics covered in this book include: Why God Must be First How to Establish Good Credit Maintaining Health and Wellness Proper Grooming Fashion and Wardrobe care Domestic Excellence Life is warfare. Together, we can be a positive influence on people and directly affect the lives of many, young and old, through the distribution of a book that was inspired by them. This item ships from...
