Arcadia Publishing (SC), United States, 2007. Paperback. Book Condition: New. 234 x 165 mm. Language: English . Brand New Book. Tucked away in the northeast corner of Cuyahoga County, Bay Village lies just outside Cleveland. The first settlers arrived around 1810 during the nation s westward expansion. The village was primarily agrarian in the beginning, home to many vineyards. By the end of the 1800s, the Industrial Revolution had gained momentum, and in 1896, an electric railway was built through the city, running from Cleveland to Toledo. Bay Village evolved from a fishing and farming hamlet into a retreat and resort area for some of Cleveland s wealthiest families. Many of their summer cottages still stand today as refurbished family homes. Bay Village explores this community s rich history through vintage images from the Bay Village Historical Society and the Bay Village Library.
