FIRST STEPS IN ANGLO-SAXON (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.From the PREFACE In my Anglo-Saxon Primer I tried to make things easy for the beginner by adopting a uniform normalized spelling, by giving only a few texts of the simplest character, and by basing the grammar and glossary exclusively on these texts, so that everything learnt in the grammar might be at once utilized in reading the texts, and the time and trouble of looking up words be reduced to a minimum. But although the Primer is perfectly well suited for those students who have already had some linguistic training especially those who know German there are others for whom a rigorous grammar-and-glossary method is too abstract, and whose memories will not bear the strain of having to master a grammar of some length before proceeding to the texts. Such learners require a less concise and abstract exposition, one in which the strain on the memory is reduced to a minimum, partly by careful gradation of difficulties, partly by greater fullness of exposition, and lastly by further simplification and omission of whatever is not absolutely necessary for the learner's first start. The present work shows that these changes do not entail any increase of bulk, the greater fullness of exposition being balanced by the omissions. As the Primer is intended as an introduction to a scientific as well as a purely practical knowledge of Old English, it includes an exposition of some of the fundamental facts of historical grammar, such as the laws of mutation and gradation, which are certainly not necessary for the beginner, even if we admit that they have a practical value in helping to fix the forms in the memory....
