TSO. Paperback. Book Condition: new. BRAND NEW, Working with Non-governmental and Other Civil Society Organisations to Promote Development, Department for International Development: House of Commons Papers 2005-06, 1311, Great Britain, The term Civil Society covers aspects of society independent of the state and the private sector. Civil Society Organisations (CSOs) are bodies organised around shared interests and values and include NGOs, trade unions, faith groups and business associations. Since 1997, the Department for International Development (DFID) has increasingly worked with CSOs to help to reduce world poverty. This report looks at DFID's view of the role of CSOs in international development; how it engages with CSOs; and the achievements of CSOs in reducing poverty. It is based on visits to 4 countries, 19 projects, a file review of 40 projects and Partnership Programme Agreements; and the response of 90 CSOs.
