Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.A few years back I was going through a particularly difficult time and one day I cried out to God and asked Him that if He was with me, if He really cared, I needed a sign. I prayed that He would send me a feather. At the time it was the only thing I could think of. Little did I know at the time how powerful and significant this prayer would be over my life. Later that day I was outside weed eating and I had already forgotten about the prayer and down comes a feather! I had chills from head to toe that hot summer day! I kept that feather and continued mowing and there was another feather! That week I continued finding feathers everywhere. I was also finding them during moments of prayer or when a major problem was testing me and my husband. I have also come to notice when I share my story with others they begin to find feathers during particular moments in their lives. My neighbor who is also a good friend shared with me that her grandkids are now always finding feathers. They always come to her and say, Look meme! A angel wing! This is a fully illustrated book in color by Laurinda Brinson: I have been painting for 40+ years and am basically a self-taught artist. In my younger days I taught classes for a local craft store. One of my favorite jobs was working for a well-known furniture manufacturer doing hand painted furniture for about nine years. It never felt like a job because I was always doing what I loved and that was...
