Reviews

Basically no words to describe. It is filled with knowledge and wisdom I am just pleased to let you know that this is actually the greatest publication i have read within my individual lifestyle and may be he best publication for at any time.

(Prof. Ron Gaylord II)

BRAZILIAN RHYTHM SECTION TRAINING

Advance Music Gmbh Nov 2012, 2012. Notenblatt. Book Condition: Neu. 30.3x23.1x cm. Neuware - This book reflects the perspective of a Brazilian musician living in Europe, where he came across a sincere interest for Brazilian music but lots of difficulties concerning its rhythm. The author currently teaches at the JIB-Jazz Institut Berlin. He approaches Brazilian music through the rhythm section. If you play the drums, percussion, bass, guitar or keyboard and are interested in Brazilian rhythms, this book is certainly for you. You will learn how to translate the main percussion rhythms which are typical for Brazilian music styles, into your instrument. You will also learn how to interact with fellow musicians, avoiding unnecessary repetition and adding transparency to the rhythm section. The book contains brief explanations of jargons, history and styles and also provides useful information on what to hear, what to read and how to find sheet music, among other useful tips. Have fun! Instrumentation: Percussion 136 pp. Englisch.
