Estranged Friends?: The Transatlantic Consequences of Societal Change

By Max Kaase Max Kasse

Brookings Institution, 1996. Taschenbuch. Book Condition: Neu. Gebraucht - Sehr gut ungelesen, sehr guter Zustand; Rechnung mit MwSt.; unused/unread, very good condition; Bestellungen bis 15 Uhr werden am gleichen Werktag verschickt_____After an extended period of relative security and certainty, the transatlantic partnership presently faces a series of challenges and tests of its stability and reliability. Europe is in the middle of a historic process in which the framework and the factors that determine foreign policy, as well as the foreign policies themselves, are subject to fundamental change. Similarly, the United States is currently in search of a new role in a changed international environment. Published in cooperation with the Bertelsmann Foundation, this book examines the fundamental foreign policy attitudes of both ordinary citizens and elites on both sides of the Atlantic. In his essay, Max Kaase provides a thorough and precise analysis of the basic social preconditions that underlie the formulation and establishment of a new foreign policy. On the basis of representative surveys, Andrew Kohut provides a detailed and comprehensive description of the attitudes and values of American citizens and elites with regard to the global role of the United States. The authors conclude that established common interests continue...
