Reviews

It is one of the most popular publications. It really is filled with knowledge and wisdom. It has been designed in an exceedingly straightforward way and it is merely soon after I finished reading this pdf by which I actually transformed me, affected the way in my opinion.

REALIZATION OF THE DIVINE ONENESS A REVELATION OF ENLIGHTENMENT

Outskirts Press. Paperback. Book Condition: New. Paperback. 84 pages. Dimensions: 8.8in. x 5.9in. x 0.4in. REALIZATION OF THE DIVINE ONENESS A Revelation of Enlightenment Sunny Baba We can realize our inherent divinity Without abandoning our humanity. Out of the American wilderness comes a fresh voice, calling for humanity to awaken from its sleep of Separation from the Divine Reality. Sunny Baba is a reclusive mystic who has spent his early life searching for the Truth. He spent many years sitting at the feet of spiritual masters worldwide - embracing their teachings and practices - then coming to a more simple and direct method of enlightenment for the modern world. Realization of the Divine Oneness is a readily accessible guide to the everyday practice of being in communion with God. This book cuts to the root of our presumption of separation from God. In this simple book, Sunny takes us on a journey into examining the basic premise upon which we base our individual identity and our relationship with the Divine Being. He challenges us to re-examine the long-held belief that God is somewhere above and beyond earthly life. He helps us take a fresh look at the very nature of our existence as embodied human beings. Sunnys approach takes the reader step by step into examining the creation of the ego and the resulting sense of separation that it fosters. He takes the reader into the discovery of our Inherent Oneness with God, awakening us to our True Nature - thus, his offering is based on the recognition of the Oneness that engulfs us. This is a simple, direct awakening to The Reality that is always already the case. It is not a search at all, but rather a present moment Realization of the Divine Oneness. This spiritual approach is a fresh and direct, yet...
